Experienced Aupair/Nanny looking for family

[] Childcare

Hello, I'm Dani, a paediatrics nurse and experienced au pair/babysitter looking for a family. I'm fluent in spanish, english and catalá and I also speak basic italian, french, portuguese and finnish. I'm currently in Finland and I carry a resident permit until 2019, which allows me to move freely around the EU. I have previous experience living abroad as a student/au pair (UK-Brasil-Finland). I'm willing to relocate anywhere (including the countryside).
