Freshly Baked Cheesecake and Chocolate Crinkles

[] Catering

Hi all! I'm Mary an international master student studying in France spending the summer here in Luxembourg. I have always been passionate about culinary arts and learned how to cook by watching my grand mother, experimenting, researching for recipes and so on. :) Made-to-order cheesecake and chocolate crinkles (chewy cookies). Available to cook/bake whatever dish/cake/pastry you would like. Feel free to reach out so I can cook for you and satisfy your cravings. :)
