Looking for afterschool care

[] Job offers

Hello, we are looking for somebody kind and reliable for a minimum of 10 hours (potentially more) per week to pick our children (4 and 7) up from the school bus (50m from our door) and either take them home or to their activities from September and throughout the school year. Monday would be 17h - 19h, Wednesday our 4 year old would need to be picked up from Mamer (either by car or by bus or train, we live next to the station) and the 7 year-old at 17h. Thursday would be 17h-19h. Help would be required to prepare the evening meal. We speak English and French and a little German. Past experience would be preferred. Thank you!
