

Pet lover/Pet walker/Pet sitter.

[] Pet-sitting

Hello, my name is Yulia and I'm a pet lover. I'm from USA living in Luxembourg. I've loved animals since I was small. I've been walking, pet boarding dogs for about 4-6 years. Of course I've had my own dogs. Jack Russel, Tea cup Yorkie, Husky and etc. I'm a very dog friendly person so if you leave your pet with me I will take care of them like they were my own. I love being outside and taking animals on long walks, running. However, I don't do cat sitting or any other animals.
