

## **Babysitter/Nanny/tutor**

[ ] Childcare

Hello, my name is Jenny and I am 17 years old and currently looking for babysitting/nanny/tutoring jobs around Luxembourg. I have experience with all ages of children as I myself have 3 younger brothers, between the age 5-14. I currently also have babysitting jobs here and there but am looking for something more permanent. Since the age of 15 I have been babysitting for other people and have also had summer jobs in creches. Look forward to hearing from you.
