

## Math/Econ Tutor - 4 years Ivy League Teaching Exp

[ ] Tutoring and education courses

I am available to tutor for Math or Economics for students from grades 6-12/ Econ at undergrad level/ GRE math section. My experience includes 4 years teaching Economics at an Ivy League University in the US and product management experience in the tech sector. I also have a perfect score on the GRE (1600). I can make teaching references available on request. Reaching out here, because I love teaching and would love to do some along with my day job!

$$\begin{aligned} \otimes (4y + 1) \ln 2 &= y \ln 3 \\ 4y \ln 2 + \ln 2 &= y \ln 3 \\ 4y \ln 2 - y \ln 3 &= -\ln 2 \\ y(4 \ln 2 - \ln 3) &= -\ln 2 \\ y &= -\frac{\ln 2}{4 \ln 2 - \ln 3} \end{aligned}$$
