

nanny monday to friday for 6 years old child needed

[] Job offers

I need a nanny from Mondays to Fridays to pick up my child at school, Valentina 6 years old, at 4:30pm, bring her home and stay with her until i come back at 6/6:30pm. The school is International School of Luxembourg (ISL). Home is in: rue de Cessange, Luxembourg City. It's better if the nanny has a car, if not they will have to go by bus. Valentina speaks Italian, English and a bit of French. So it's better if the nanny speaks one of these languages, but if not, it should be ok as well. When Valentina is sick it would be good if the nanny could spend the whole day with her at home, but if not possible we will find a solution.
