

Baby-sitter

[] Childcare

Hello, I'm Magda and I'm from Italy. I'm a student at University and I study languages and cultures and I have always loved working with children. I'm a fun-loving babysitter and I simply enjoy spending time with children. I have 4 nieces and 1 nephew, that I love so much. They call me "Maggy" I love play with them and with all children. I love taking them to interactive and fun activities such as the park, zoo and why not to the library, too. I can spend the day at home colouring, dancing and if their parents allow me we can cook together !!! Yes, I love cooking, my best dish is lasagna and cakes. Gnammy !! I speak English, French, Italian and I can understand a little bit German. I'm married since December and I'm 24 years old. Keeping the child's well-being is something I take very seriously. I understand the importance of my role, and I'm willing to take on that responsibility. I will listen to them and try to understand their needs. If you want to meet me, it will be a pleasure for me. Thank you.
