

Dog walker with a big love for dogs

[] Pet-sitting

Do you need dogsitting or walking for your dog? ♥ Does your dog enjoys long walks in the park? ???? So do I! ???? I'm Anisa and in the December I'm moving to Luxembourg city. In the morning I'm doing babysitting and in the afternoon I'm free so I would love to take your dog for a walk. I have experience with big and small dogs. At home in Slovenia we have two dogs, who are like family members to us. Their names are Spike and Lisa. Spike is mixed breed with American bulldog and Lisa is Cocker spaniel. When I was still studying I was also working as a dog walker/sitter. Every day I was taking for a walk Alaskan malamute and his name is Medo (it means bear in slovenian language ????). I'm energetic and I like to be active so your dog will get a lot of play time ???? I'm caring, warm-hearted and I love animals so your doggie will receive a lot a lot a lot of cuddles and belly scratches♥ I'm willing to help so I would love to groom your dog and feed him/her if it's needed. If you also have any other animals to look after them don't hesitate to contact me. I can also take care of your cat, bunny, guinea pig or any other furry friend. So If you need dogwalking in the afternoon or dogsitting during weekend please let me know. You can contact me here on Facebook or send me email to anisakelenc@gmail.com Looking forward to hearing from you
