

Dogwalker and dogtraining

[] Pet-sitting

I'm offering dogwalking in small groups, same dogs joining the group every day to create a harmonious group. Clients are based in Limpertsberg to avoid unnecessary time of transportation on our way to the woods. We spend 3 hrs in the woods mixing physical exercise with mental stimulation. I'm a professional dogtrainer using reward based training in groups of max 6 dogs. My training methods are sympathetic and fun for both the dog and owner. Training done in the center of Luxembourg. www.thedoghouse.lu I have 25 yrs of experience with dogtraing and dogwalking.
