

## **Babysitter available on weekends**

[ ] Childcare

Hi, I'm Nora from Singapore. I'm presently looking for families who require babysitters on the weekends, both saturday and sunday, anytime of the day. I have had babysitting / aupairing experience for at least one year. I can help with activities to keep the kids occupied & cook simple lunch / dinners. Would need one weeks' notice in advance if you require my services. Thank you!

ready for Bergen!
